# CAMP SITE RULES

*Camping Village Mareblu wishes you a pleasant stay and reminds you of a few rules:*

- 1) Upon arrival, guests must show their identity documents for registration. Minors are admitted only if accompanied by parents.  
**Between the beginning of June and the beginning of September, Camping Village Mareblu requires guests to wear the identification bracelets provided at the administration office during check-in procedures.**
- 2) Guests may occupy pitches with the management's authorization and accompanied by staff. Camping equipment must never block passage ways.
- 3) Daily tariffs are shown at the reception and apply from arrival to 11.00 am on the next day. We recommend paying the day before departure, to avoid last minute queues! Pitches must be vacated between 08.00 am and 11.00 am to avoid paying full-day tariffs. Camping Village Mareblu accepts Visa and Mastercard payments and there is a cash point on the camp site premises.
- 4) Cashier opening hours: **08.00 h - 11.00 h/17.00 h - 19.00 h**
- 5) Guests must respect nature and everything made available by the camp site and report any service issues or acts of vandalism.
- 6) It is forbidden to dig ditches and holes, plant nails and tie any type of rope to trees, pour boiling or salty waste liquids on the ground and cause any kind of damage to flowers, plants and camping services and equipment.
- 7) **Lighting fires is forbidden.** Coal barbecues have been installed on the premises in specific, well-delimited areas; in certain weather conditions (for example, strong wind) the Management reserves the right to forbid their use! **Only gas barbecues may be used on the pitches!**
- 8) The camp site provides outdoor parking for one car per party in the parking area and shall not be liable for theft or damages caused by third parties. The car park is accessed using a magnetic card. Cards are provided at the administration office during check-in procedures. A €10 deposit is required.  
The PASS provided must be visibly displayed on the car's dashboard at all times. (Unauthorized cars found within the car park will be charged the full rate from the day the camp site opened). Access to the camp site by car is possible only on the day of arrival and departure, to set up and dismantle equipment. To unload any other goods guests may use the available trolleys, which must be returned at the entrance immediately after use.
- 9) Guests with motorbikes or similar vehicles can drive to their pitches between **08.00 h and 14.00 h** and between **16.00 h and 21.00 h**. Vehicles must be parked within the owner's pitch.
- 10) **ORGANIC WASTE AND PLASTIC/GLASS/CAN RECYCLING**
